

## REPORT

### 53<sup>RD</sup> MASTER BUILDERS NATIONAL GOLF TOURNAMENT M R HORNIBROOK CUP

BRISBANE - 2011

---

In a year that included a 100 year flood that decimated more than half of Brisbane, including the flooding of all metropolitan Golf Courses, widespread destruction to the North Queensland economy by cyclones and a Global Financial Crisis that was further affected by the Tsunami and earthquake in Japan and New Zealand, we were extremely fortunate to have even been able to continue with our national Tournament in its 53<sup>rd</sup> year.

Notwithstanding this we managed to gain the support of many sponsors to enable us to run and host a successful Tournament without a financial loss.

The Tournament was attended by 140 players with 120 of them venturing from intra or interstate.

The Financial Report shows that after all expenses we managed a surplus initially equal to a sum just over \$7000. We invested this into an appreciation day for the Sponsors, namely the Sponsors Cup and the final wash up was that we finished with a surplus of \$2760.00. We Thank all Sponsors for their support to our Tournament.

The Results of all competitions are attached to this report and we Congratulate South Australia in winning their second M R Hornibrook Cup in as many Years.

As Captain of the Queensland Master Builders Golf Club Inc, I have now experienced at first hand the complexity of co-ordinating and running, with the enormous effort of our committee, a National Tournament for the second time and I know, not so much from the compliments that we did receive, which were many, but from the ominous lack of criticism which always seems to be easier to offer, after a tournament ends.

GOOD LUCK SOUTH AUSTRALIA
