To the Committee of the Master Builders Australia Golf Club

As Captain of the Master Builders Tasmania Golf Club I have pleasure in providing this report.

As you would all know running a Hornibrook tournament is no easy feat. I must firstly warmly congratulate our Organising Committee members for their great commitment to task and hard work they put in to ensure our tournament went off without too many hitches. The work put into gaining good sponsors from large to small assisted us greatly in covering the costs of the tournament, providing some good entertainment for Hornibrookers and to return us a small surplus.

In the leadup to our tournament it was decided that we would provide a budget level of accommodation for our visiting Hornibrookers. We believed that by reducing the overall cost of the tournament accommodation this would give Hornibrookers a little more money in their pockets to enjoy the Tasmanian experience. We hope this was the case. We also decided that we would work hard to spoil our interstate visitors. We also hope this was the case.

The golf courses we selected were Claremont, Tasmania and Royal Hobart which were presented extremely well by each club. The after-golf hospitality provided by the golf courses ensured each day ended well. Great feedback received through our Committee members.

The Rest Day on the Wednesday was a subject of much discussion and procrastination by the Organising Committee until we finally decided on the concept. Starting with a cruise around Hobart Harbour and then onto the Coal Valley Vineyard. The feedback we received tells us that everyone enjoyed the day and special thanks must go out to the Weatherman who certainly put on the weather.

Congratulations to Victoria on another Master Builders Australia Hornibrook Cup win.

In conclusion (what did we learn)

- Having a hardworking Committee is a must.
- Sponsorship is hard to gain but it is not impossible.
- Don't assume anything when it comes to Pro Shop or Golf Clubs when it comes to organising each day. Have a tick box system so everything is discussed and agreed upon.
- Ensure that Pro Shops do not close off any of the competition days before the Friday at the end of the tournament.
- Our next turn at Hornibrook we will endeavour to have more motorised carts to assist our golfers

Kind regards

Neil Faulks
Captain
Master Builders Tasmania Golf Club

59th Annual MBA Inc. Tournament ~ Tasmania ~ 2017
